

Kansas Rally Weekend

Rally School – Saturday, November 1
East to Easton - Saturday, November 8, 2008
Pavement Ends (Again) – Sunday, November 9, 2008

The **East to Easton Rally** is a TSD (time-speed-distance) Touring Rally sanctioned by the Kansas City Region of the SCCA. This event will run over the paved roads of eastern Kansas and western Missouri, ending in Weston, Missouri, with the start location in Kansas City, Kansas near the Kansas Speedway.

Pavement Ends (Again) is also a TSD Touring rally that will use good quality, but unpaved roads to provide contestants with more checkpoints and interesting scenery. This rally starts and ends near Lawrence, Kansas and the event is sanctioned by the Kansas Region of the SCCA.

These events are a test of precision driving and teamwork between driver and navigator. Straightforward, non-devious route instructions with specified average speeds will test the rallyists' ability to arrive at unknown checkpoint locations on time, neither early nor late.

Any street-legal automobile capable of normal rural highway speeds can be entered. Rest stops are planned during the rally, at convenience stores enroute.
